Dear Examiner Pass:

Please accept this letter as notification that the applicants filed a CIP application that was mailed on August 13, 2007. This application was titled "Horizontal Excess Coverage" and does a better job of articulating some of the additional embodiments of Secondary Loss Expense Coverage. Given that the subject matter of Horizontal Excess Coverage is the same as Secondary Loss Expense Coverage, it may be administratively easier for the Patent Office to examine both applications at the same time.

Respectfully,

Bruce Bradford Thomas, Applicant
